About the Company

COPL is an international oil and gas exploration and development company focused in the offshore West Africa. The Company holds a 17% working interest in Block LB-13, offshore Liberia, with ExxonMobil the operator holding an 83% working interest. COPL is actively evaluating opportunities in Nigeria as part of its strategy to generate stable cash flow from secure offshore assets. COPL also holds exploration acreage with shale oil potential on the north island of New Zealand.
