

Conversion of Bonds & Share Issuances

London, United Kingdom; Calgary, Canada: April 18, 2023 – Canadian Overseas Petroleum Limited (“COPL” or the “Company”) (**XOP**: CSE) & (**COPL**: LSE), an international oil and gas exploration, production and development company with production and development operations focused in Converse and Natrona Counties, Wyoming, USA, has issued 48,959,603 common shares pursuant to conversions of \$1.4 million principal of 2027 Bonds and \$2.6 million principal of 2028 Bonds.

Following these conversions, COPL’s outstanding bonds include:

2027 Bonds principal outstanding: \$16.0 million (80 bonds)
2027 Bondholders: 8

2028 Bonds principal outstanding: \$17.4 million (87 bonds)
2028 Bondholders: 7

Further to the announcement of March 20, 2023, the Company also issued 2,038,682 common shares settling \$0.15 million of payables to arm’s length creditors of the Company at a premium to the LSE share price.

Applications will be made for 50,998,285 common shares (the “Shares”) to be admitted to the FCA’s Official List and to trading on the London Stock Exchange’s main market for listed securities within the next twelve months, in accordance with Listing Rule 14.3.4.

Following these issues of Shares the Company has a total of 396,416,990 Shares issued and outstanding. There are no Shares held in treasury and therefore the total number of voting rights in the Company is 396,416,990. This figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority’s Disclosure Guidance and Transparency Rules.

About the Company:

COPL is an international oil and gas exploration, development and production company actively pursuing opportunities in the United States with operations in Converse County Wyoming, and in sub-Saharan Africa through its ShoreCan joint venture company in Nigeria, and independently in other countries.

statements. The forward-looking statements contained herein are based on certain key expectations and assumptions made by the Company, including, but not limited to, the ability to raise the necessary funding for operations, delays or changes in plans with respect to exploration or development projects or capital expenditures. Although the Company believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements since the Company can give no assurance that they will prove to be correct since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties most of which are beyond the control of Canadian Overseas Petroleum Ltd. For example, the uncertainty of reserve estimates the uncertainty of estimates and projections relating to production, cost overruns, health and safety issues, political and environmental risks, commodity price and exchange rate fluctuations, changes in legislation affecting the oil and gas industry could cause actual results to vary materially from those expressed or implied by the forward-looking information. Forward-looking statements contained in this news release are made as of the date hereof and Canadian Overseas Petroleum undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.
